The Board welcomes visitors to our meetings, and values comments from district patrons that improve the quality of education for students. We must require, however, that complaints be directed through the administration for resolution. Comments made during this session must be free of abusive language, personal attacks on district personnel, and not directed towards any department which, due to its low staffing, would amount to an attack by affect naming district personnel. We also ask that presentations be limited to five (3) minutes per person and thirty (30) minutes total for public comments. If a number of people wish to come to discuss a specific topic, please designate one person to sign up and speak. You will be asked to state your name and city of residence before speaking.

ADD AN ITEM TO A MEETING AGENDA

A member of the public may request the superintendent or Board chair consider placing an item on the agenda of a regular Board meeting. This request should be made in writing and presented to the Superintendent or Board chair for consideration at least ten working days prior to the scheduled meeting.
